

BONES
(a. aparicio)

**Buffalo Bill, played guitar.
Ran on speed, sex and cars.
Down the road there was this little girl,
A Peggy Sue of the world, ooh, ooh.**

Chorus:

**Oh Peggy Sue.
She went a ridin'.
Shoot, shoot, shoot to kill.
Here we go.**

**Destiny with pretty locks.
Kept her heart shaped pity box.
Got a gun, bought a hat,
Made it home in 6 minutes flat.
Kissed her mom,
Waved goodbye,
Stuck her best alibi.**

Chorus:

**Ahh, Destiny.
She went a ridin'.
Shoot, shoot, shoot to kill.
Here we go.**

Bridge:

**Here we go,
Driving all night in the heat.
Tender bones.
Breaking the family tree.**

Chorus:

**Ahh, here we go.
She went a ridin'.
Shoot, shoot, shoot to kill.
She went riding.**
