

Hail to the Loser
(a. aparicio)

**If I could be your seventeen,
I'll be the one that would come undone.
I'll be the one in the faded armor,
I'll be the one with the shiny gun.
Ahhh, Ahhh**

Chorus:

**Hail to the Loser.
It's been pouring down on me.
Make me the winner,
I'm coming home.**

**If I could be your invincible,
I'll be the one in the fairy tale.
I'll be the hero, the dragon slayer,
I'll be the one, we will sail away..
Away, away, Away...**

Chorus:

**Hail to the Loser
It's been pouring down on me.
Make me the winner,
I'm coming home.**

**I kinda want to be someone.
I kinda want to know someone.
I kinda want to be somewhere,
Where everybody knows my name.
Everybody wants to shake my hand,
Everybody knows my name..
Everybody wants to..**

Chorus:

**Hail to the Loser
It's been pouring down on me.
Make me the winner,
I'm coming home
Hail to the Loser
It's been pouring down on me.**

**Make me the winner.
I'm coming home.
I'm coming home.
If I could be your seventeen,
I'll be the one with the shiny gun.**
