

LUCILLE
(a. aparicio)

**Mary goes round baby it's too much to bare
Cellophane sound baby rings through my ear.
It's moving the Earth now it's moving my feet
Cellophane sound baby's bringing the heat.**

Chorus:

**Awe , Awe, Awe, Awe
Break it down , down.
Down, Down.
Break it down, down.
Down , Down**

**Benny plays hip cause he's got a few tricks
Puckered up lips that he puts on my dick
He loves to be cool yeah he loves to be sweet
He's smack that bitch down now he's kicking the beat**

Chorus:

**Awe, Awe, Awe, Awe
Break it down, Down.
Down, Down**

(middle 8)

**The killer inside went up high and everyone started to shake
Turned the page and took center stage as the Big Beat started to break.
She's 100 ft tall but I'm quite small and the Earth still wanted to quake
Ms. Lucille, she's keeping it real – her bisquits are starting to bake.**

**Lucille won't stop cause she's too hot to trot
In the winter she shops in the summer She Bops.
In this cellophane dress
In this cellophane heat.
With a killer Rock Ass now she's kicking the beat**

Chorus:

**Awe ,Awe, Awe, Awe
Break it down , down
Down, Down**
